

Excellence in Steroidal API solutions: Precision, Purity, Performance

Americas | Europe | Africa | Asia | Oceania

Manufacturing Site

Corporate office

Futuristic Green Field Site

Our Expertise

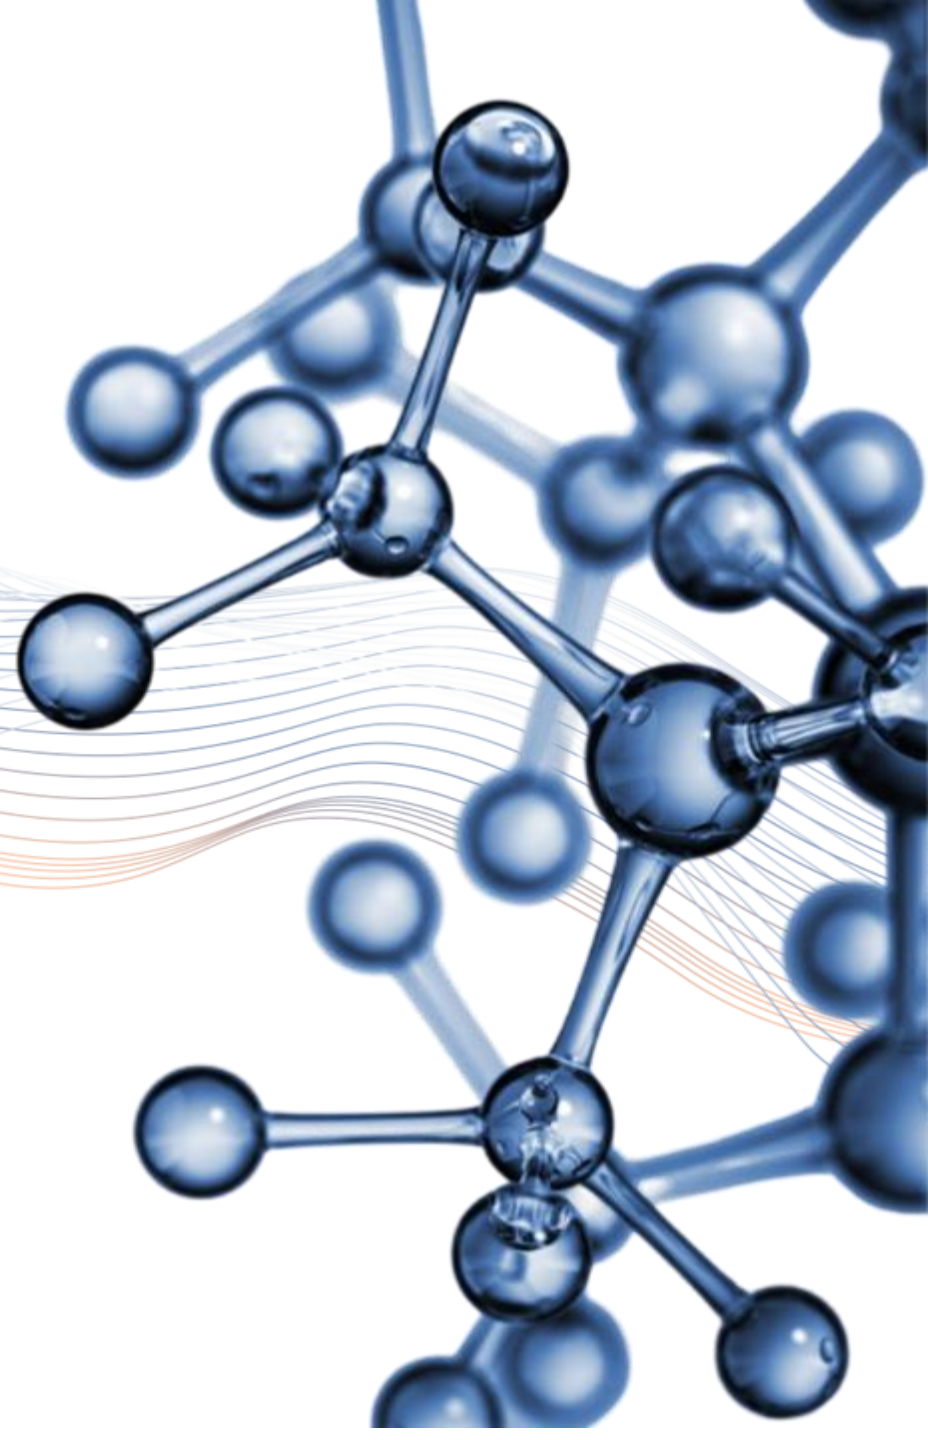

Steroidal API specialist,
serving globally for 25+ years

Our Ethos

Partnering through symbiosis,
service with a human touch

Our Edge

Uniquely in Malaysia,
bridging East and West

Who Are We

Symbiotica is one of few companies globally that manufactures both niche & commercial steroids, steroidal hormones and Non-Steroids range of API's

This approach is highly advantageous as, it allows clients to work with the single approved vendor for multiple API's within the same segment, streamlining regulatory documentation and simplifying audit process.

End-to-end API Solutions and Capabilities

Steroids

Robust portfolio of corticosteroids and steroidal hormones

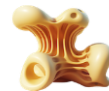

Non-Steroids

Niche APIs coupled with customised service

Sterile Offering

Sterilization by gamma radiation

Custom Manufacturing

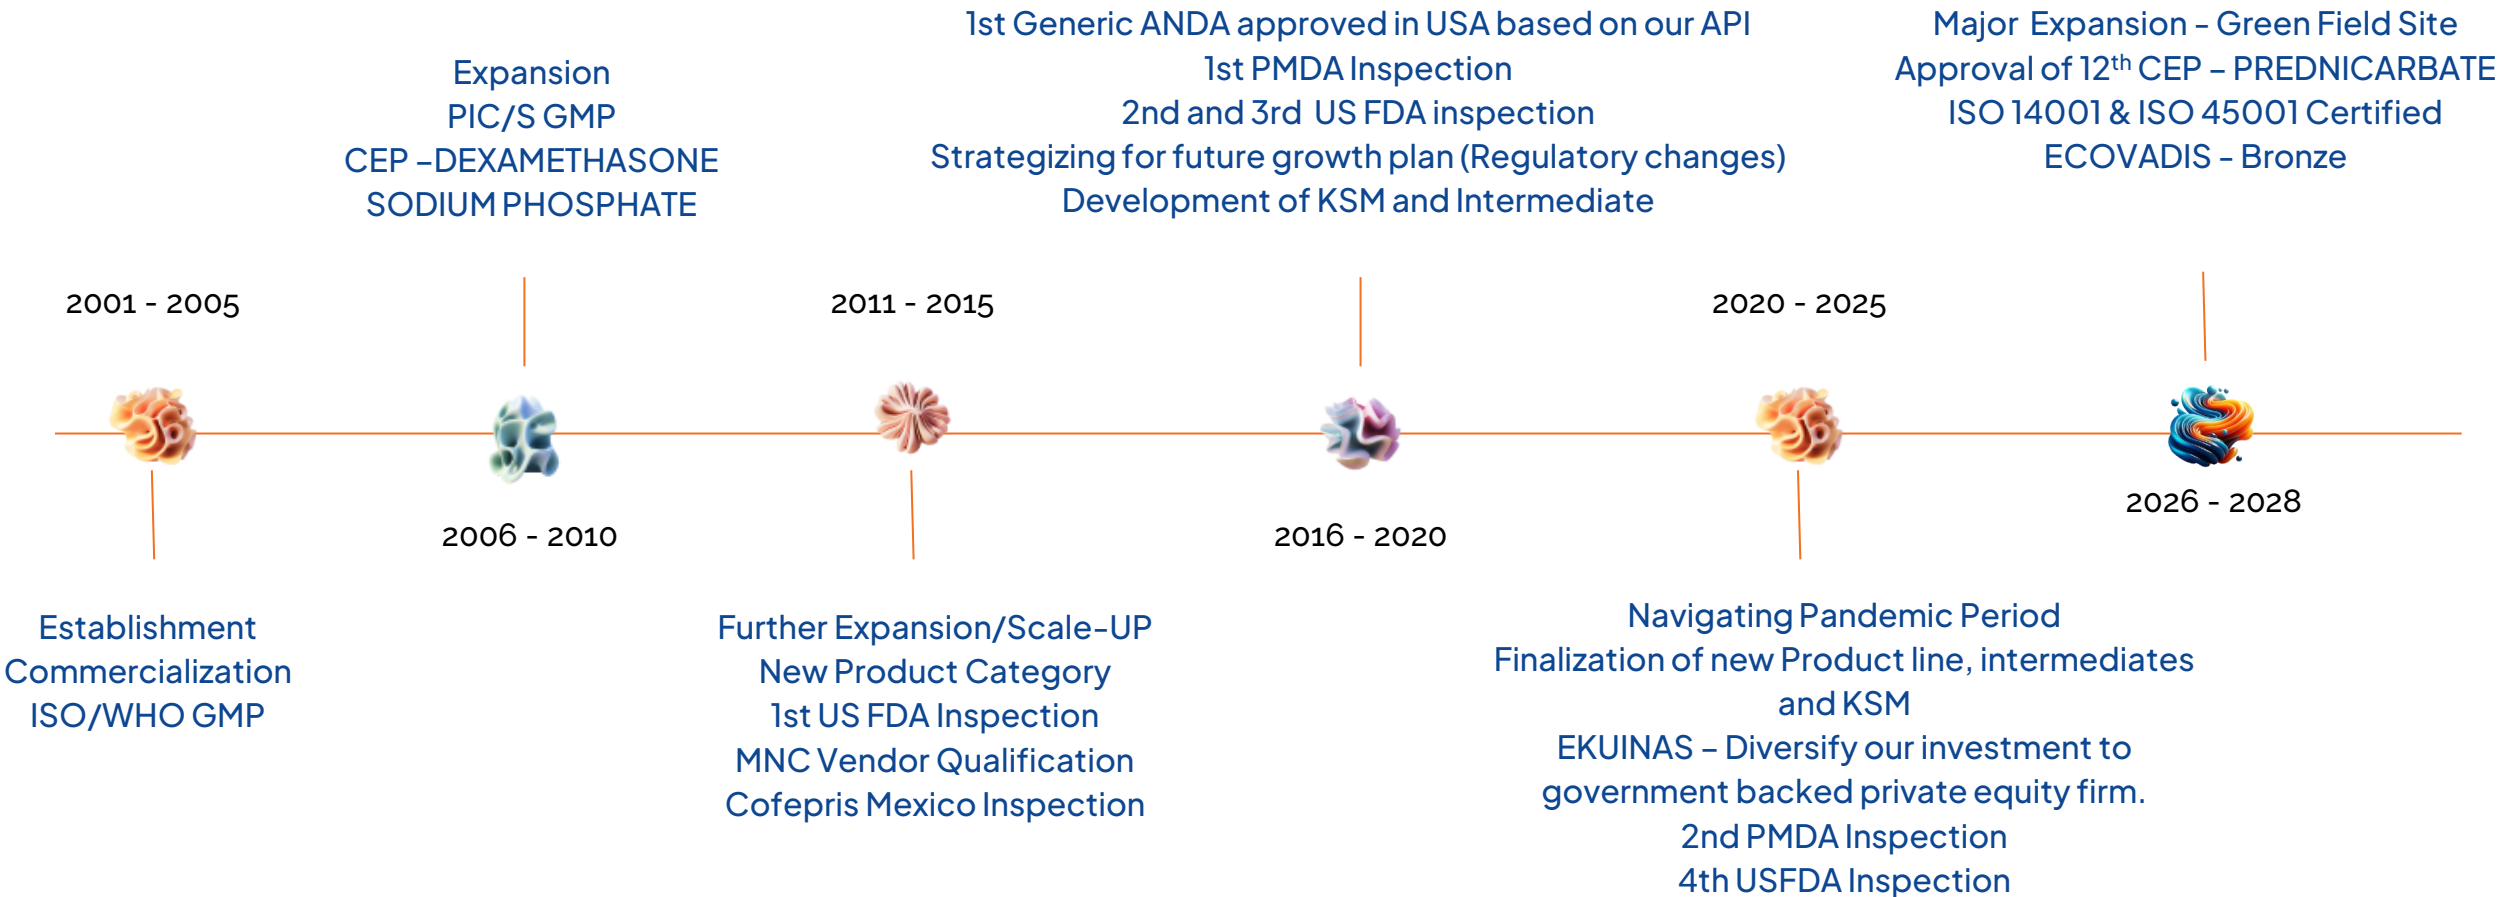

Tailored manufacturing solutions with scalability to support development to commercial production

API Processes

Expertise in complex chemical processing offering versatility across each stage of API production

Our Journey: Key Milestones

Our Locations

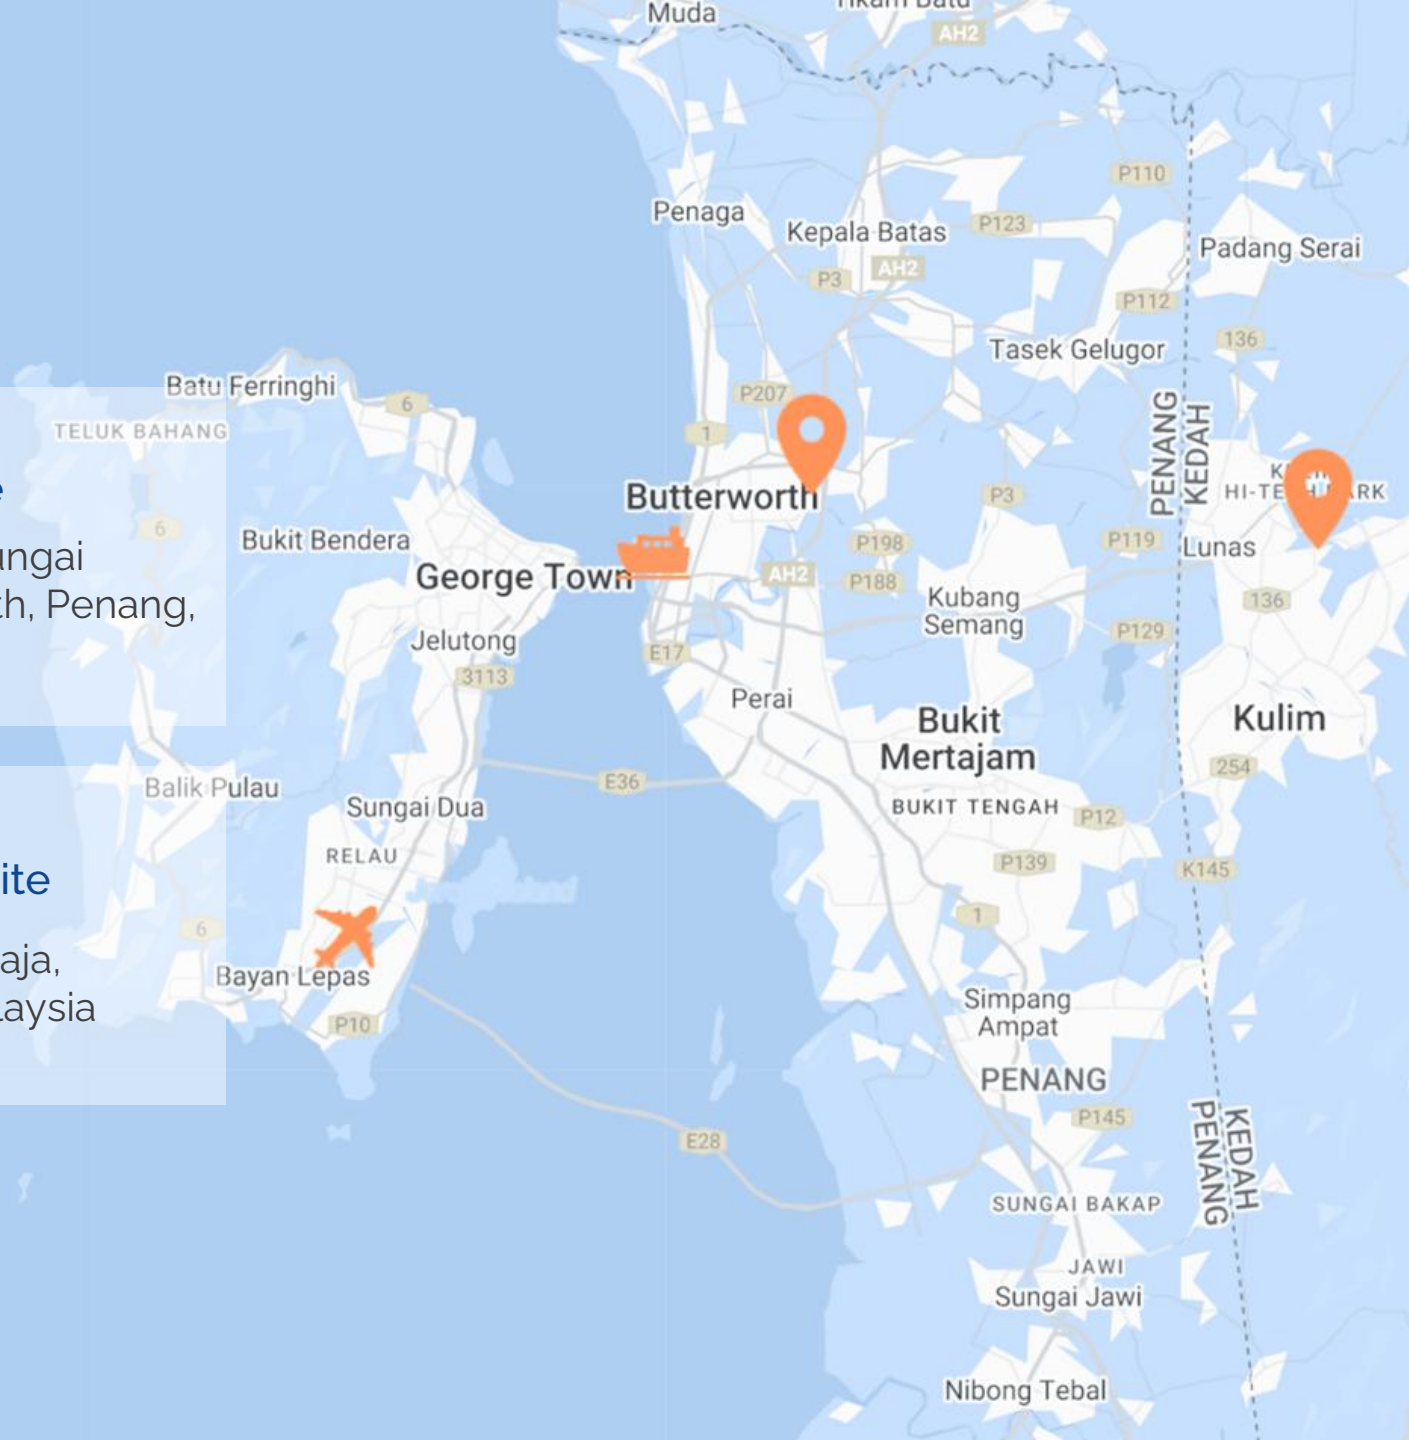

Corporate Office

Taman Industri Sungai Lokan, Butterworth, Penang, Malaysia.

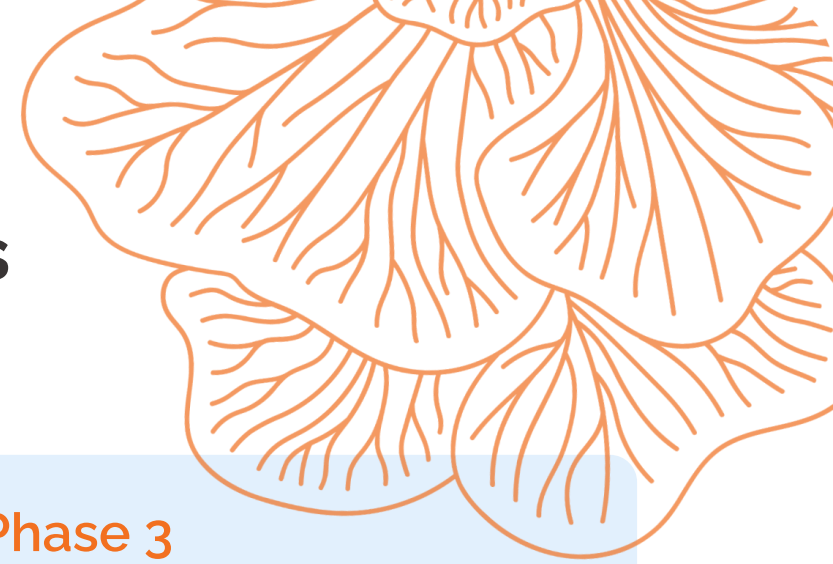

Manufacturing Site

Taman Industri Waja, Kulim, Kedah, Malaysia

Kulim High Tech Site - Timelines

Phase 1

- Office
- Warehouse
- Quality control Lab
- R&D Centre
- General utilities
- MVR Blocks - 2
- LVR Block - 1
- Cleanrooms for all 3
- **Sterile API Block**
- Tank Farm
- Solvent recovery plant
- General process utilities
- Wastewater treatment Plant

Phase 2

- MVR Blocks - 4
- Cleanrooms for all 4
- General process utilities
- Pilot Plant - Bioprocess
- Peptides Unit
- Prostaglandins Unit

Phase 3

- Fermentation Block/s
- Additional MVR/LVR
- Blocks - 4
- Cleanrooms as required
- General process utilities
- Expansion of WWTP, Tank Farm, Solvent recovery plant.
- CMO services, Peptides, Prostaglandins etc

2026

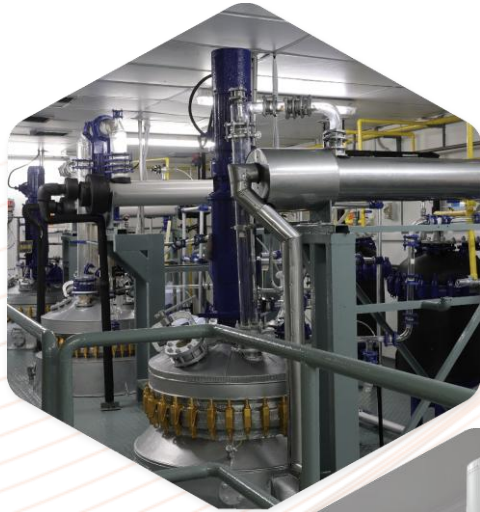

2027

2030

Waja Manufacturing Site

Multiproduct Site
Kulim, Kedah, Malaysia

USDMF FILED AND APPROVED CEP

8 – USDMF

- Betamethasone Dipropionate
- Betamethasone Valerate
- Clobetasol Propionate
- **Dexamethasone Sodium Phosphate** (GDUFA Paid)
- Exemestane
- Halobetasol Propionate
- **Hydrocortisone Valerate** (GDUFA Paid)
- **Mometasone Furoate** (GDUFA Paid)

12 – CEP / COS

- **Beclomethasone Dipropionate** (Submitted)
- Betamethasone Dipropionate
- Betamethasone Sodium Phosphate
- Betamethasone Valerate
- **Clobetasone Butyrate** (Submitted)
- Clobetasol Propionate
- Dexamethasone Sodium Phosphate
- Exemestane
- Mometasone Furoate
- Mometasone Furoate Monohydrate
- Prednicarbate
- Prednisolone Acetate
- **Prednisolone Sodium Phosphate** (Submitted)
- Testosterone Propionate
- Tibolone

API CERTIFICATIONS

- Beclomethasone Dipropionate
- Betamethasone Dipropionate
- Betamethasone Sodium Phosphate
- Betamethasone Valerate
- Budesonide
- Clobetasol Propionate
- Clobetasone Butyrate
- Deflazacort
- Dexamethasone Sodium Phosphate
- Exemestane
- Halobetasol Propionate
- Hydrocortisone Butyrate
- Hydrocortisone Valerate
- Methylprednisolone Aceponate
